Safety first for the Port MacDonnell Mens Shed

The Port MacDonnell Mens Shed recently hosted District Council of Grant Mayor Richard Sage to show him around the shed and demonstrate the use of new safety tools and equipment, purchased with the support of Councils Community Grants Scheme 2017-18.

The purchase of an electrical testing safety device, to test all appliances and a dust extractor to improve air quality in the shed, has been welcomed by members.

The modern Men's Shed is an updated version of the shed in the backyard that has long been a part of Australian culture and is open to all men regardless of age, background or ability

The Port MacDonnell Mens Shed is open Tuesday's and Thursdays 10.00am – 1.00pm and is located at Elizabeth Street, Port MacDonnell. New members are always welcome and more information can be found by emailing the club at ms13pmd@hotmail.com.
